

THE BORNEO POST
International Education Fair 2010
YOUR NEXT STEP BEGINS HERE

Yang Berhormat Datin Hajah Fatimah Abdullah , Patron

It is my pleasure to welcome all exhibitors and visitors to the inaugural Borneo Post International Education Fair 2010 to be held at the Permata Exhibition Hall, Kuching from 26th March 2010 to 28th March 2010.

I am very pleased that The Borneo Post has taken the initiative to organise this international event as it complements the Government's effort in developing the human resource needs toward the meeting of the requirement of The Sarawak Corridor of Renewable Energy (SCORE).

The two main problems faced by school leavers to further pursue their tertiary education or skills development locally or abroad are the lack of information and financial constraints.

The fair will therefore provide opportunities for students, parents and school counsellors to get information on where to study and what to study including where to obtain the financial assistance as well as benefit from the BPIEF Education Fund.

I am therefore pleased to extend my support to the Borneo Post International Education Fair 2010 and wish all participants and exhibitors a productive and enjoyable stay in the capital of the "Land of Hornbill", Kuching.
